Missions21
— ECOSYSTEMS —
21ST CENTURY TOOLS. 21ST CENTURY COMMISSION

Beyond Macedonia, we cofounded **Missions21**
to serve missionaries from other
independent Baptist boards and churches.

Over the past 5 years, we have grown
from a handful, to serving **over 1000**
missionaries and pastors.

We believe that one day in the near
future, **every single** Independent Baptist
missionary and church will use our tools
to aid them in reaching the world.
